

# Quaker Farms School

**Office of Rachael Cacace  
Principal of Quaker Farms School**

Dear Kindergarten Families:

Welcome to Quaker Farms School. We, as a team of educators, are anxious to get to know your child as an individual. We acknowledge that this transition to school can be as exciting as it is tenuous. We are here to support this transition.

You as parents, grandparents, guardians or foster parents know your child the best and you are an integral member of your child's team. We enlist your support and your involvement for making your child's journey into being a lifelong learner a successful one.

Attached is a packet of general information for you to review which answers many basic questions. It also provides some information regarding child development and readiness for kindergarten. There is also a parent input form that can be filled out and returned by June 1<sup>st</sup> regarding your child.

Once again welcome to the Quaker Farms School community.

Sincerely,

Rachael Cacace, Principal
