- Students in Grades K-2 attended a Dental Program on April 11th.
- The kindergarten students saw the performance, "The Lion and The Mouse and Other Tales" presented by Crabgrass Puppet Theater on April 12. A special thank you to the Oxford PTO for funding this program. Families of our kindergarten students were also invited to attend the show.
- Our monthly STAR assembly will be held on Friday, April 26th with a focus on Respect. Mrs. Davenport and Mrs. Sandberg's second grade classrooms will be showcased.

Communication

- Kindergarten registration for the 2019-2020 school year took place April 1 – April 5. Other registration dates will be posted over the next couple of months. Parents are also welcome to contact the main office to set up a specific day and time to register their child. At the time of this report, I do not have total numbers of registrants for the 2019-2020 school year.
- Progress reports will be sent home on April 26th to those students who are experiencing difficulties academically and/or behaviorally. Progress reports are not report cards but simply another form of communication between home and school. This ongoing communication is essential in helping all students succeed.

Facilities & Safety

- Our new school safety plan (ALICE) will be rolled out the week of April 8 and will include an enhanced lockdown drill. A scheduled Fire Drill is also planned for the end of this month.

Respectfully submitted,
Rachael L. Cacace
