Please bring ALL supplies (except your child’s snack) with you to Preschool Orientation Day on Tuesday, August 21st. Labeling your child’s name on individual supplies will not be necessary as these will be community supplies for the classroom, however it is important to write your child’s name in their lunchbox. Preschool Orientation will be on Tuesday, August 21st from 10:00 – 11:30. Please note this orientation is a casual chance to come and briefly meet your child’s teacher, drop off the supplies below, explore the room, and hear a little bit about the routine of our day. There is no need to stay the entire time. You can come any time between 10:00 – 11:30 that day. The bus company will also be present during orientation to outline expectations of getting your child on and off the bus safely including proper buckling.
