Connecticut State Law and Regulations 10-212(a) require a written medication order of an authorized prescriber, (physician, dentist, optometrist, advanced practice registered nurse or physician's assistant, and for interscholastic and intramural sports only, a podiatrist) and parent/guardian written authorization, for the nurse, or in the absence of the nurse, a qualified school personnel to administer medication. Medications must be in the original properly labeled container. Prescription medication should be in the labeled container dispensed by a pharmacist.

This authorization is in effect for the school year: **2017 – 2018** To include extended year program.

Self-administration of asthma inhalers and cartridge injectors (for medically diagnosed allergies) may be authorized by the prescriber and parent/guardian. All other medications considered for self-administration must be approved by the school nurse in accordance with Board policy to confirm student safety and competency with medication procedure.
