

OXFORD PUBLIC SCHOOLS

Dear Parents/ Guardian:

For this school year, 2017-2018, the district medical advisor Dr. Sam Streit, has provided a standing order which allows for the administration of regular strength Tums antacid as directed for the relief of stomach upset or indigestion.

Please complete and sign the form below and return it to the school Health Office if you would like your child to receive Tums as needed. **No Tums/antacid tablets can be administered without your written consent.** If you have any questions, please contact your child's school nurse.

This order in no way changes the general medication administration policy of the Oxford School System. NO MEDICATION, PRESCRIPTION OR OVER-THE-COUNTER MAY BE ADMINISTERED WITHOUT A SIGNED DOCTORS ORDER AND PARENT CONSENT.

**Oxford Public Schools
2017- 2018 School Year**

The Oxford Public School Nurse has permission to administer to my child Tums/antacid in keeping with the school district standing order as given by Dr. Samuel Streit, medical advisor. (Please check all that apply)
